### Grab the remote and watch so much more.

Within seconds of watching fiber-optic TV, you'll see why it's such a giant leap forward. FiOS® TV has the power to deliver flawless picture and sound that'll blow you away. And you won't get a broader entertainment experience anywhere else. Get access to nearly 300 channels of the best programming available, including all your favorite local channels. And browse our enormous On Demand library for everything you want to watch — anytime you want to watch it.

You can also choose from our large selection of Hi-Def programming, including premium channels, to round out your package. With a wider picture that's much sharper than regular TV, Hi-Def makes local and network shows look and sound great.

### Control live TV with the touch of a button.

You're the boss of the TV schedule when you add our state-of-the-art digital video recorder (DVR) to your package. It lets you record, pause and rewind live TV. You can even watch one show while recording another.
